

Help shape food support on the Isle of Wight

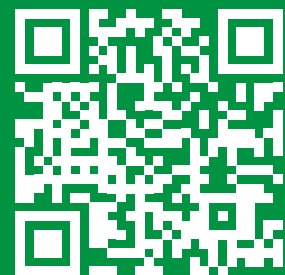

This survey is about understanding how you get, afford, and prepare your food, and what makes this easier or harder.

- Help improve local food services
- Make sure your voice is heard

Takes just five minutes

Survey closes 31 July 2026

Hard copies and accessible versions of the survey are available. Please ask!

This survey has been developed by members of our community on behalf of the Isle of Wight Food Partnership
